# Community Invited to Participate in Short-Term Rental Public Meetings

**El Paso, Texas**—The City of El Paso continues to host community meetings to discuss proposed amendments to the Short-Term Rental Ordinance.

Short-Term Rental is generally defined as a residential dwelling unit, apartment, condo, or accessory where sleeping areas are rented to overnight guests for a period of less than 30 consecutive days.

The City is evaluating proposed amendments that focus on:

- Recommending an ordinance that addresses both host's and neighborhood concerns
- The safety of guests and neighborhoods
- Creating a simple user-friendly process to register a permit
- Establishing a permit fee based on the cost of service
- Collecting the hotel occupancy tax per state statute
